EXCEPTIONAL WINE-PRODUCING PROPERTY 170HA

Location: 45 minutes from Montpellier and its airport, 20 minutes from a TGV train station, on the outskirts of a very touristy town in the Hérault region which offers all types of shops, and 30 minutes from the Mediterranean beaches! Due to its size, it enjoys absolute peace and quiet and is not subject to any noise or visual nuisance. Its sought-after location is in a region known for its charming villages and vineyards, some of which are very prestigious.

Description: This is a rare vineyard estate, comprising a 17th century château with origins dating back to Gallo-Roman times and the Middle Ages. There is a total of approx. 1700 m² of living space and 2200 m² of outbuildings, including administrative offices, a shop, a reception wing with a tasting room, a listed 17th century chapel, private flats, a separate dwelling house, a building with workers' accommodation, technical and agricultural premises.

The château is built around a main courtyard with four complete wings, an unenclosed courtyard with two complete wings and an extension containing the operating premises.

The technical part consists of a wine-making cellar of approximately 800 m² completely equipped, and many outbuildings.

Land: The property is in a single block of approximately 160 ha, on which there are 83 ha of AOP and IGP vines, the majority of which are irrigated thanks to 2 boreholes that produce 40m³/h. For the white grape varieties (45%): Chardonnay, Colombard, Roussanne, Sauvignon Blanc, Vermentino, Viognier, for the red grape varieties (55%): Cinsault, Grenache, Sangiovese, Grenache, Merlot, Pinot Noir, Sangiovese and Syrah Annual production can be as high as 1 million bottles (about 7,500 hl). The brand is recognised and the sales network is well developed. The remaining land is composed of 6ha of olive groves, arable land and 26ha of forest. In addition, the estate is classified as a "nature reserve", prohibiting all hunting.

Our opinion: This property with great character is distinguished by its class and sobriety. Its exceptional location is both very peaceful and just 2 minutes from a very touristy town. It is perfectly suited to a wine tourism project, hotels, weddings and various reception facilities.
