DUTCH DESIGN DREAM

DUTCH DESIGN DREAM. 'When I am in a place where I feel happy, I know I don't have to look any further'. That is what famous Dutch designer Mr Jan des Bouvrie felt at his villa the Bergerac. A house needs to feel like an embrace. The first thing he did was make it symmetrical because symmetry gives strength, Jan always said. Centered in Het Gooi, the Garden of Amsterdam he found warmth and comfort in his house. Eternal beauty, a compliment that certainly applies to the Bergerac. You immediately recognize the hand of Jan des Bouvrie, the renowned artist and architect of world famous Dutch Design. An exceptional Masterpiece.
