QUILA QUINA, NATIONAL PARK LANIN

National Park located in the heart of the Andes mountain range with this exclusive residence to be inaugurated, nearby Lacar Lake , amidst the native forest of pellines and raulines species, with magnificent views of the mountains. It offers tranquility, security, intimacy and a pleasant luxury with?its amenities.A thousand square meters stone built with passion and conviction, also using noble wood and carpentry, all the details have been thought with care, built and projected for the enjoyment of the residents. Decorated with imported tilesand ceramics, finishing details and furniture of a characteristic Patagonian style, designed based on leather, horns and weavers combined with efficient scenery. A stone chimney reigns over the living area, with spacious leather sofas which invite to relax, porfido floors and lengua fuegina wood highlights the interiors thought the big windows that link the garden views. An impressive lenga staircase takes to the first floor which is like a balcony towards the gardens and their view, accessing to a master suite that offers to the guests all the space, privacy and comfort necessary for its equipment. In the opposite area we find two other dormitories in suite. The guest room develops around the pavilion, an independent building that has a spacious living dinning room and two important bedrooms in suite fully provided.Special attention has been given to the complex Spa Relax area, amenities which include sauna, scottish shower, finland bath, relax area and acclimatized pool. The Basement has a wine bar, an informal and exquisite lounge with fireplace and wine cellar. A very well kept park and ant the shore of the Arroyo Grande with its Arco Iris trout complete the unique features of this estate.
