19TH-CENTURY CASTLE WITH 360° PANORAMIC VIEW!

LOCATION:

Nestled on a majestic rocky spur overlooking the Rhône valley, this neo-medieval château, built in 1899, faces the "Mont Ventoux" and offers breathtaking panoramic views over no less than five départements. You're just 50 kilometers from Avignon, the city of the Popes, and the ducal city of Uzès, the very first Duchy of France. A strategic location for the Provencal way of life, while enjoying absolute peace and quiet.
