A LISTED RENAISSANCE CHÂTEAU NEAR TOULOUSE

CONFIDENTIAL CHÂTEAU

A Listed Renaissance Residence near Toulouse

Set on a promontory in the heart of a remarkable natural setting, this listed Renaissance château enjoys a commanding position, exceptional privacy and beautiful views towards the Pyrenees.

In recent years, the property has undergone an extensive restoration programme, addressing the essential elements of the building and ensuring the preservation and longevity of this historic residence.

Today, the château represents a rare opportunity: to take on an important heritage property where the most substantial works have already been completed, while retaining the freedom to complete the restoration and create interiors, uses and a way of life entirely one's own.

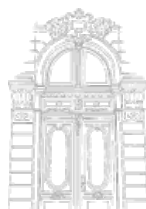

The château's former farm buildings and various outbuildings complete this characterful estate, offering considerable potential for a private family residence, cultural project, events or hospitality venture.

A significant historic residence ready to be reimagined, offering its future owner the freedom to write the next chapter of its story.
